2 Before taking into consideration the recommendation of the Mal CL, the Dy Comr may be requested to obtain from the Davangere Mal CL draft rules under Sec 46 (b) (ii) of the Mysore Munl Regulation, determining the staff of Munl Officers and Servants to be employed, (2) their designations, duties Salaries and (3) powers and duties delegated to them, and submit the same for orders

3 3 The Secretary's Office in a Municipality like Davangere may correspond to that of the Chief Officer of a City Munl Council It is a point for consideration whether the former will not be a good training ground for Probationers in the Revenue Department

4. Incidentally it is submitted that in cases where responsible paid Officers are appointed for the conduct of Mal bus the Scheme for the appointment of

2nd Secondly, such an officer has to be given full power of control over the establishment as contemplated in the case of a Chief Offr in Sec 184 of the Municl Regn, if he is to. Such a delegation of powers does not usually work well in practice with the President and Vice President also an Executive officer. This system has not been tried even in Bangalore and Mysore Cities where the President exercises all the powers of control, and the Vice President exercises the powers delegated by the President. The system has been adopted in the case of the Municipal Secretary in Bombay Presidency, and stands condemned owing to constant friction between the Chairman of the Council on the one hand, and the Secretary as head of the Executive on the other. The scope for an independent head of the Executive exists only in large cities. For example the system has proved a signal success in Bombay, and is about to be adopted in Calcutta also.

official proposed by the Davangere Municipal Council the best course appears to be to appoint a full time vice President as suggested by the D.C. to the Council And such an appointment is desirable in view of the extended improvements the imposing cost of the extensions thus recently to Clerical establishment and the need for augmenting the resources to provide funds for the projected water supply

Since the President resides at Davangere there is no danger of the vice President not being able to keep his staff well under Control, on account of the lower status of the new officer, as Compared with an Amildar

Dhruva's first question

Whether an officer with the designation of a Secretary may be appointed as proposed

I think that the proposal may be sanctioned It does not disconnect the Bombay Vice-President with his wholesome touch with the Municipality It is strongly recommended by the Municipal Council & the local officers The growing business of the Municipality requires assistance And finances permit the step

Dhruva's second question

Whether such an appointment is permissible under the Municipal Regulations?

Yes, under Sec 46, (6) (11) A Secretary is not an officer (or Stipendiary Servant in this case) and the appointment can be legally made In Bombay, Municipalities have such Secretaries – please vide page 46 Ch V and the Mysore Municipal Reg is based on that of the Bombay District Municipal Regulation

15

Procedure - If Govt are inclined to sanction the proposal the Dy Commr may first be asked to obtain from the Municipal Council draft rules of delegation of duties to the Secy under Sec 37 & Sec 46 (6)(11) – The attention of the Dy Commr may also be invited to the Secy's duties (Hay Rules)

---------- O ----------

In forwarding herewith a copy of the resolution passed at a meeting of the Davangere Municipal Council held on the 20th ultimo suggesting the desirability of appointing a whole-time Secretary for the Davangere Municipality to relieve the Vice President of a good portion of the heavy duties at present devolved on him, I have the honor to state that the Davangere town is one of the chief centres of trade in the Province and comes next in rank to the municipalities of Bangalore and Mysore On account of its connection by railway with the more important commercial centres outside the Province, the town is growing in importance day by day Further the area of the Municipality is comparatively large and about 3 square miles in extent Consequently the work here is increasing year after year The Amildar who is also the Ex-offi io Vice President of the Municipality, is an itinerating officer who is, as per standing orders of Government, required to camp out for not less than ten days in a month and when he is at Head Quarters his hands are generally full with criminal and Revenue work. Consequently he cannot be expected to devote that amount of personal attention and time which a large municipality like Davangere requires In addition to the daily inspection of the sanitation of the town there is the important and responsible work of levying octroi on cloth which is one of the chief sources of revenue bringing to the municipality a substantial income of about Rs 12,000 a year This cannot very well be left in the hands of a low paid official like the Municipal Putsaddy on Rs 15 occasionally supervised by the Taluk Sheristedar in his spare hours during the absence of the Vice President from Head Quarters and also when the latter is engaged at Head Quarters in criminal and other more important work

The merchants are frequently complaining of the long hours they have to wait for getting their cloths stamped and

octroi paid thereupon owing to the want of a whole-time official who would deal with each case promptly as it comes, Further with vigilant supervision it is hoped that there will be a considerable increase in collection under this head.

As regards the correspondence work of the municipality it will be seen from the statement hereto appended that the correspondence in the municipality is also increasing year after year as also the number of applications for licenses for the construction and repair of buildings in the town There are pending unsettled over 100 claims for compensation for lands taken up for the extension of the town over 20 years ago All these claims can easily be settled if a competent Secretary be appointed. Proposals have also been submitted by me or are maturing for effecting improvements in other directions such as the construction of a cotton market and the acquisition of more lands for extending the town.

Taking all these facts into consideration the council have proposed the appointment of a whole time Secretary on a pay of Rs 75/- a month to afford partial relief to the Vice President in his executive as well as office work and thus improve the present condition of the municipality in all possible directions

I therefore beg strongly to support the proposal of the council and recommend that the Government may kindly be moved to accord sanction to their proposal at an early date, the cost of the proposed appointment being met from the provisionof Rs 9,100/- made under the head VIII P.W in the current year's municipal Budget.

Copy of letter No 207 dated 7th November 1913 from the President, Davangere Municipality, to the Deputy Commissioner, Chitaldrug District

----------.O ----------

Im acknowledging the receipt of your docket No. 507 dated the 25th ultimo stating that the appointment of Secretary is not contemplated by the Municipal Regulation and that if neces sary, the council be asked to propose a separate Vice President paid or honorary, I have the honor to state that the appointment of the Secretary proposed by the Municipal Council is more or less of the nature of an office Assistant to the Vice President on the analogy of the collector in the Bangalore and Mysore Municipalities for which there appears to be no special provision in the Municipal Regulation The designation of Secretary has, however, been suggested as being more appropriate than that of the " Collector " especially im view of the fact that the Secretary is intended to help im the disposal of correspondence relating to municipal matters The municipal income of Davangere is next to that of Bangalore and Mysore and the volume of work is large enough to require the services of an official of a somewhat higher status than that of a Sanitary Inspector Further the Municipal Council do not contemplate the abolition of the office of the Vice President or the substitution by a Secretary for the same Under these circumstances, I beg to submit that the proposed appointment of a Secretary to the Davangere Municipality may kindly be recommended for the sanction of Government
